BACKGROUND AND DISCUSSION

Enviro-Sports Productions is requesting that a portion of Silverado Trail be closed from 7:00 a.m. to 11:00 a.m. on Sunday, April 23, 2017 for the 6th Annual Napa Valley Silverado Half Marathon. The half marathon will start on Lake Street in Calistoga and will run along Silverado Trail to Crystal Springs Road, which will be the turn-around point.

Parking for this event will be accommodated at the parking areas of Calistoga High School and the Napa County Fairgrounds.

For public and participant safety, the organizers have requested road closures to facilitate the running of the half marathon with the least amount of inconvenience to the public. All traffic control and road closures will be under the direction of the California Highway Patrol (CHP) for the portion of Silverado Trail from Calistoga to Crystal Springs Road. Local residents will be escorted through as needed and as safety allows.

Enviro-Sports has contracted with American Medical Response (AMR) for one ambulance which will be stationed at the start/finish line at Calistoga High School. In addition, an EMT will be stationed at the turn-around point, the intersection of Crystal Springs Road and Silverado Trail. Special medical aid will be on location at each of the water stations approximately every 1.6 miles along the course. Communication will be provided by both radio and cell phones throughout the length of the course by the run monitors.

Public Works has included conditions to ensure a safe environment for the public. These conditions are:

- a. All traffic control devices and personnel be in conformance with Caltrans' Traffic Manual;
- b. All properties having access to the portion of Silverado Trail being closed, from Lake Street, Calistoga to Crystal Springs Road, shall be notified prior to the event and access shall be provided to them during the event;
- c. Access shall be provided for emergency vehicles at all times;
- d. The organizers of the Napa Valley Silverado Half Marathon shall contract with the CHP for traffic control services during the event;
- e. A certificate of insurance in the amount of \$1,000,000 shall be provided to the County naming the County of Napa and the CHP as co-insured; and
- f. All costs of clean up and repairs to County facilities damaged as a result of this event shall be borne by the organizers of the Napa Valley Silverado Half Marathon.

Public Works has received both the Insurance Certificate and the Agreement with CHP.
