BACKGROUND AND DISCUSSION

Today's action approves an agreement with the State of California in the amount of \$60,000 for the Arts in Mental Health program. This program provides an arts program to residents of Napa State Hospital. These funds cannot be directly allocated to a private non-profit agency. Therefore, these State funds will be passed through the County to the Arts Council of Napa Valley to carry out the program. Appropriations will be included in the Recommended FY 06-07 budget for County Contributions (with offsetting revenue from the State of California). Napa County will not be responsible for any expenses relating to this agreement beyond what funds the State allocates for this program. There is no cost to the County for this program.
