BACKGROUND AND DISCUSSION

The Budget Act of 2014 allocated \$8 million to the Board of State and Community Corrections (BSCC) for the Community Recidivism Reduction Grant program. Counties are eligible to receive funds if the Board of Supervisors, in collaboration with the county's Community Corrections Partnership, agrees to develop a competitive grant program intended to fund community recidivism and crime reduction services.

On September 9, 2014, the Board of Supervisors authorized the Chair to sign a letter of interest to the BSCC notifying them of the County's intent to participate and directed the County's Community Corrections Partnership (CCP) to develop a competitive grant program that met the guidelines established by the BSCC. The County of Napa has received \$50,000 to distribute to nongovernmental entities with a maximum award of \$10,000 to each entity.

The CCP issued two competitive Request for Proposals between December 2014 and March 2015 to solicit responses from entities that would provide evidence-based programs and training to meet the goals of the County's 2011 Public Safety Realignment Plan and the authorizing legislation. On May 19, 2015, the Board of Supervisors approved agreements totaling \$40,000 in funding with four agencies: The Boys & Girls Clubs of Napa Valley, On the Move, Success Through Education Program (STEP), and B.I. Incorporated.

Today's action will authorize the Chair to sign the fifth and final agreement for the Community Recidivism Reduction Grant funding in the amount of \$10,000 with Puertas Abiertas for the term of March 15, 2015 to June 30, 2016 to support their LEGACY Youth Program. The LEGACY program engages gang-involved or gang-associated high school students and provides a positive, healthy, safe and challenging educational space for these at-risk youth. The funding will be used specifically to for supplementing the programs three annual field trips: to various colleges and universities throughout California, the Museum of Tolerance, and Homeboy Industries in Los Angeles.
