**C.** Director of Public Works requests the following actions regarding the Hall of Justice Booster Replacement Project, PW 07-30:

1. Acknowledge that the following findings made on May 1, 2007 are still in effect:

- competitive bids to replace the pump assembly;

  - e. That the circumstances in (a), (b) and (c) create a need for immediate action to replace the entire pump assembly to prevent impairment of the health and safety of the inmates housed in the County Jail portion of the Hall of Justice and impairment of the essential public service of providing secure detention of inmates; and
  - f. That upon the circumstances set forth in 1(a) through (e) and pursuant to Public Contract Code Sections 20134(a) and 22050(a)(2), that the foregoing emergency will not permit the delay that would result from adopting plans, specifications, strain sheets or working details or giving notice for competitive bids to replace the pump assembly.
