BACKGROUND AND DISCUSSION

The Federal Workforce Investment Act of 1998 provides for the appointment of a local Workforce Investment Board (WIB), which in partnership with the County sets policy for the local workforce delivery system. One of the key roles of the WIB is the selection of the One Stop Operator, which is a consortium of entities that provides a variety of job training services. The Napa County's One Stop operator is The Job Connection, and Napa County Health and Human Services Training and Employment Center is the lead agency. This agreement was approved by the WIB at its May 12, 2005 meeting.
