BACKGROUND AND DISCUSSION

The Napa County Commission on Aging was created pursuant to Resolution No. 77-151 adopted on September 13, 1977. It consists of 15 members, one member from each of the five Supervisorial Districts and 10 additional members from among individuals recommended by organizations concerned with older adults. It is desirable that all appointees are over the age of 55, but younger persons would not be excluded. The purpose of the Commission is:

- To assess existing data to identify the presently unmet needs of older adults within the County and to describe alternative methods by which such needs might be met;
- To recommend the initiation of studies or programs oriented to older adults; however, such studies or programs as may be initiated by the County shall not be directly administered by the Commission except with the prior approval and direction of the Board of Supervisors;
- To act as an advisory body on behalf of the Board of Supervisors in studying, evaluating and recommending "grant" and program proposals affecting the well-being of older adults in the County (the Board of Supervisors anticipated that priority would be given to activities that promote the independence and dignity of individuals and that are directed toward the elimination of any discrimination based upon age);
- To review and offer comment upon pending legislation; and
- To disseminate information to older adults concerning the availability of various activities and services provided within the County on behalf of the elderly.

Resolution 2012-182 amended the Commission on Aging bylaws on December 18, 2012 to include a provision allowing potential new commission members to be recommended for consideration to the Commission by individuals familiar with their qualifications. This resolution also added a provision for the Chair of the Commission to write a letter of recommendation for incumbent Commissioners who seek to be reappointed.

Staff requests the Board accept the recommendations of the Napa County Commission on Aging and appoint Donna Altes to fill the vacancy representing Organization Concerned with Older Adults and Inda Shirley to fill the current vacancy representing District 5. (timeline & recommendation attached)
