BACKGROUND AND DISCUSSION

From time to time portions of the County Code are amended to better reflect the needs of the County, as well as, address situations and scenarios as they arise. This ordinance intends to do just that. First, the title of Chapter 10.16 will be amended to "PARKING AT LAKE BERRYESSA," and eliminate additional and unnecessary language contained therein. Because visitors to the Lake have at times left vehicles and boat trailers for extended periods of time, the Sheriff and the Bureau of Reclamation have suggested these ordinance changes to help discourage this from happening in the future. Section 10.16.010 (Definitions) of Chapter 10.16 is amended to revise the definition of "Parking lot," and adds a new term and definition for "Valid Parking Permit." Section 10.16.030 (Overnight parking unlawful - Penalty) of Chapter 10.16 is amended to specifically address the parking lot at Capell Cove. Finally, two new sections are added--Section 10.16.025 (Failure to Obey Parking Signs or Markings Unlawful-Penalty) is added making it unlawful for any person to disobey parking signs or markings, and Section 10.16.045 (Parking without a properly displayed permit unlawful - Penalty) is added making it unlawful for any person to park their motor vehicle or detached trailer in a parking lot where a permit is required.
