EXECUTIVE SUMMARY

The Training and Employment Center receives funding to operate federal Workforce Investment Act programs through a subgrant recipient agreement with the California Employment Development Department. These subgrant recipient agreements take effect in April of each year and have a thirty-six month term during which the recipient may spend the funds. Approval of the requested action will close out the April 1, 2004 subgrant. Because the funds have been fully expended, it is not necessary to wait until March 31, 2007 to close out this subgrant.
