SUBJECT: Presentation of a proclamation declaring August 13 to 19, 2017 as National Health Center Week in Napa County.

RECOMMENDATION

Presentation of a proclamation to Fernando Diaz, Director of Marketing and Communications for OLE Health, and Patrisia Contreras-Vigil, Patient Services Manager for OLE Health declaring August 13 to August 19, 2017 as National Health Center Week in Napa County.

EXECUTIVE SUMMARY

National Health Center Week offers the opportunity to recognize America's health centers, their dedicated staff, board members, and all those responsible for the continued success and growth of the program since its creation over 50 years ago. During this National Health Center Week, we recognize the legacy of America's Community Health Centers and their vital role in shaping the future of America's health care system.

FISCAL IMPACT

Is there a Fiscal Impact? No

ENVIRONMENTAL IMPACT

ENVIRONMENTAL DETERMINATION: The proposed action is not a project as defined by 14 California Code of Regulations 15378 (State CEQA Guidelines) and therefore CEQA is not applicable.

BACKGROUND AND DISCUSSION

The proclamation designates the week of August 13 to August 19, 2017 as "National Health Center Week" in Napa County. It offers the opportunity to recognize America's health centers, their dedicated staff, board members, and all those responsible for the continued success and growth of the program since its creation over 50 years ago. During this National Health Center Week, we recognize the legacy of America's Community Health Centers and their vital role in shaping the future of America's health care system.

In addition, the proclamation recognizes OLE Health's efforts to:

- | Provide high quality, cost effective, and accessible primary and preventative care to all individuals regardless of insurance status or ability to pay
- | Eliminate barriers to access to health care and improve the health status of underserved communities
- | Grow the nation's primary care infrastructure to meet the pressing needs of Americans who still lack access to primary care services

The proclamation was presented to Fernando Diaz, Director of Marketing and Communications for OLE Health, and Patrisia Contreras-Vigil, Patient Services Manager for OLE Health.
