**SUBJECT:** Presentation of a proclamation declaring August 7 to August 13, 2016 as National Health Center Week in Napa County

---

#### **RECOMMENDATION**

Presentation of a proclamation to Tanir Ami, Chief Executive Officer at OLE Health, declaring August 7 to August 13, 2016 as National Health Center Week in Napa County.

#### **EXECUTIVE SUMMARY**

Community Health Centers have provided high quality, cost effective, and accessible primary and preventative care to all individuals regardless of insurance status or ability to pay. In Napa County, over 28,000 patients access community health center services from OLE Health and/or Planned Parenthood of Northern California. National Health Center Week offers the opportunity to recognize America's health centers, their dedicated staff, board members, and all those responsible for the continued success and growth of the program since its creation almost 50 years ago.

#### **FISCAL IMPACT**

Is there a Fiscal Impact? No

#### **ENVIRONMENTAL IMPACT**

ENVIRONMENTAL DETERMINATION: The proposed action is not a project as defined by 14 California Code of Regulations 15378 (State CEQA Guidelines) and therefore CEQA is not applicable.

**BACKGROUND AND DISCUSSION**

Community Health Centers have provided high quality, cost effective, and accessible primary and preventative care to all individuals regardless of insurance status or ability to pay. Health Centers are located in medically underserved areas and are locally controlled by patient-majority boards, making each health center responsive to the needs of the specific community it serves. In Napa County, over 28,000 patients access community health center services from OLE Health and/or Planned Parenthood of Northern California which have six locations throughout Napa County.

National Health Center Week offers the opportunity to recognize America's health centers, their dedicated staff, board members, and all those responsible for the continued success and growth of the program since its creation almost 50 years ago. During this National Health Center Week, we recognize the significant contributions of America's Health Centers in their vital role as local engines for healthier communities and a healthier America.

Tanir Ami, Chief Executive Officer at OLE Health, will be accepting the resolution.
