BACKGROUND AND DISCUSSION

A number of emancipated youth 18-21 years old do not own a vehicle or have a regular, consistent means of transportation. The Napa County Emancipated Youth Ride Program is designed to transport emancipated youth involved in the Napa County Independent Living Program. The ride program provides a reliable and safe transportation alternative for these emancipated youth and allows them to go to and from ILP workshops and meetings. Vouchers for taxicab rides are available to individuals who qualify and are registered in the Napa County ILP via a TILP (Transitional Independent Living Plan). The service area is defined as the area of Napa County from American Canyon (South) to Calistoga (North). Transportation must remain within Napa County geographical boundaries with a cost not to exceed \$85 per trip.
