BACKGROUND AND DISCUSSION

Friday Night Live is a statewide prevention program that fosters positive youth development and resiliency by promoting youth leadership, healthy decision-making, skill development, community connectedness, meaningful involvement, and strong youth-adult partnerships. Programming is designed to be culturally appropriate, safe, supportive, fun, and empowering, fostering a sense of competence and autonomy in its members. Friday Night Live programming is youth-driven and youth-led, with adults providing critical support and guidance. Youth participants are directly involved in the program planning and implementation. Friday Night Live chapters are referred to as "Friday Night Live" (FNL) when serving high school-aged youth, and "Club Live" (CL) when serving middle school-aged youth. The central components of the program are: (1) an FNL Coordinator; (2) FNL/CL Chapters with a Chapter Advisor at each site; and (3) a Youth Council.

Approval of today's action will extend the term of the grant to allow the County to provide funding for eight youth and two adult chaperons to attend the FNL-sponsored Leadership Day, on September 10, 2010, at the FNL Youth Summit in Anaheim, California.
