**BACKGROUND AND DISCUSSION**

Redistricting will occur in 2021 and is required to be completed, and submitted to the State by December 2021 for the next election, in 2022 when the newly drawn district lines will be used.

Staff would like to give the Subcommittee an opportunity to give direction regarding any possible advocacy or requests to the Citizens Redistricting Commission as they start the process. In years past, there have been proposals that would have split the County into two separate congressional districts, which would have resulted in American Canyon having a different representative than the other four cities in Napa County.

Staff believes it is imperative that all of Napa County be in one congressional district. At this time there is no requested action.
