TO: Napa County Legislative Subcommittee
FROM: Mary Booher - County Executive Officer
County Executive Office
REPORT BY: Molly Rattigan, Deputy County Executive Officer - 253-4112
SUBJECT: SB 532 (Dodd)

RECOMMENDATION

County Executive Office requests discussion and possible direction on SB 532 (Dodd) a bill that amends the Government Code to include cyberterrorism as eligible for consideration of a declaration of a State of Emergency.

EXECUTIVE SUMMARY

SB 532 (Dodd) simply adds "cyberterrorism" to the list of conditions that are named in the Emergency Services Act that may be cited to support the proclamation of a state of emergency or local emergency.

FISCAL IMPACT

Is there a Fiscal Impact? No

ENVIRONMENTAL IMPACT

ENVIRONMENTAL DETERMINATION: The proposed action is not a project as defined by 14 California Code of Regulations 15378 (State CEQA Guidelines) and therefore CEQA is not applicable.

BACKGROUND AND DISCUSSION

SB 532 (Dodd) simply adds "cyberterrorism" to the list of conditions that are named in the Emergency Services Act that may be cited to support the proclamation of a state of emergency or local emergency. Addition of this language would allow Napa County the same support as the County would receive in a more traditional disaster like a fire, if faced with a cyberterrorism incident.
