RECOMMENDATION

Accept the Popular Annual Financial Report (PAFR) for fiscal year 2019/20.

EXECUTIVE SUMMARY

The Popular Annual Financial Report (PAFR) is comprised of information from the Comprehensive Annual Financial Report (CAFR), along with information about NapaSan's activities during the past year. It is specifically designed to take the complex financial information from the CAFR and make it readily accessible and understandable to the general public. NapaSan created its first PAFR in 2016 and has received the Award for Outstanding Achievement in Popular Financial Reporting by the Government Finance Officers Association for each of the last four years. This is the fifth year that NapaSan has produced a PAFR.
