Accept the Employee and Board of Directors Reimbursement Report for FY 2020/21.

### **EXECUTIVE SUMMARY**

California Government Code Section 53065.5 requires that NapaSan disclose any reimbursement paid by NapaSan within the immediately preceding fiscal year of at least one hundred dollars (\$100) for each individual charge for services or product received. "Individual charge" includes, but is not limited to, one meal, lodging for one day, transportation, or a registration fee paid to any employee or member of the governing body of the district. The disclosure requirement shall be fulfilled by including the reimbursement information in a document published or printed at least annually by a date determined by that district and shall be made available for public inspection.

For the sake of full transparency, the report includes all reimbursements made to NapaSan employees, interns, and directors.
