BACKGROUND AND DISCUSSION

Based on the requirements contained in Sections 8.3(c) and 8.5 of Agreement 3352 (Joint Exercise of Powers Agreement), the following voting percentages for Calendar Year 2013 have been determined:

The Authority's Joint Powers Formation Agreement Section 8.3(c), states, "A majority vote of all of the Directors representing two thirds of the waste entering the Authority's Solid Waste facilities during the prior calendar year, as defined in Section 8.5, shall be necessary in order to approve any of the following:

- i. the construction budget for the Transfer Facility
- ii. the annual operating budget of the Authority in excess of debt service on Revenue Bonds and the payment to the transfer station operator;
- iii. the issuance, execution or delivery of Revenue Bonds;
- iv. any change in a budget exceeding 10% of the total amount of that budget;
- v. any amendment to or the termination of this Agreement;
- vi. voting rules regarding the approval of contracts between the Authority and any one of more Members (it being understood that all such contracts must be approved pursuant to rules adopted in this manner); and
- vii. the admission of an additional member or a substitute member including by means of assignment.

Section 8.5 Determination of Members' Calendar Year's Waste Quantities. "As part of the fiscal year budget setting process, the determination of the Members' prior calendar years' waste quantities shall be made and approved by the Authority's Board of Directors. The recorded waste tonnage quantities delivered to the Authority's Facilities from each of the Members' franchised solid waste collection companies for the prior calendar year of January 1 to December 31 shall be used to set the next Fiscal Year's weighted voting as described in Section 8.3(c)."

Based on the requirements contained in Sections 8.3(c) and 8.5 of Agreement 3352 (Joint Exercise of Powers Agreement), the following voting percentages were derived from the tonnage for Calendar Year 2013 and are as follows: City of Vallejo 48%; City of Napa 30%; City of American Canyon 8% and the County of Napa 14%.

The attached table expresses in detail the 2013 calendar year's waste tonnage delivered by the four members' franchisees and also includes data from four (4) prior calendar years for historical reference.
