Additional items regarding this topic are included in the background section below.

FISCAL IMPACT

Is there a Fiscal Impact? No

ENVIRONMENTAL IMPACT

ENVIRONMENTAL DETERMINATION: The proposed action is not a project as defined by 14 California Code of Regulations 15378 (State CEQA Guidelines) and therefore CEQA is not applicable.

BACKGROUND AND DISCUSSION

The CIWMB contacted UVA staff with concern that the waste volume numbers reported by UVDS to the Waste Board did not match the numbers reported to the Board of Equalization. This issue for the 2006 reports has been addressed to the satisfaction of the CIWMB staff.

UVDS has hired a consultant (Doug Kobold) who is an expert on waste reporting. While the CIWMB and UVA remain very concerned about this issue, continued progress is being made. We will continue to work with the Company, and will monitor progress and report back to the Board monthly on this issue.
