### **EXECUTIVE SUMMARY**

Manager to provide an update on the status of current activities.

### **FISCAL IMPACT**

Is there a Fiscal Impact? No

### **ENVIRONMENTAL IMPACT**

### **BACKGROUND AND DISCUSSION**

#### **Monthly Financial Reports**

The monthly financial report is attached. This includes expenses through February.

The full cost of the October HHW event was \$35,152. Disposal costs were \$30,200, with the remaining funds

spent on advertising and promotion (there was no staff time billed directly to the event). We have accumulated \$17,020 during the first 6 months of the year from the \$1/ton fee on landfill disposal which the Board designated to cover the cost of the event. As such we will have sufficient funds to cover the cost of the event, but not any extra.

#### Legislative Update

Bills dealing with banning of plastic bags, and disposal of sharps, drugs, and batteries, have been introduced in Sacramento. It is too early to tell which, if any of them, are likely to be approved. We will continue to monitor and will report status to the Board.
