**REPORT BY:** David Briggs, Environmental Resource Specialist - (707) 253-4094

**SUBJECT:** California Integrated Waste Management Act

---

### **RECOMMENDATION**

#### **CALIFORNIA INTEGRATED WASTE MANAGEMENT ACT**

**DISCUSSION AND POSSIBLE ACTION:** Staff to provide an update on the status of activities relevant to the Act.

### **EXECUTIVE SUMMARY**

#### Waste Reduction and Recycling Activities Update

Home Composting Workshops – Each year, UVWMA, Napa County, and the City of Napa, together with Napa County Master Gardeners, co-sponsor a home composting workshop program for local residents. The sponsors scheduled a series of ten composting classes for 2012. There are four remaining workshops scheduled for Saturdays at up-valley locations: April 21 at Calistoga Community Center, August 18 at White Barn in St. Helena, September 8 at the Napa Museum, and September 29 at Yountville Community Center.

Beverage Container Recycling Program - Each year, the State integrated waste management agency, CalRecycle, disperses funds from its Beverage Container Recycling and Litter Reduction Program to cities and counties. Up-valley cities qualify for \$5,000. The County receives \$10,000. For over ten years, each Upper Valley Waste Management Agency (UVWMA) member jurisdiction has forwarded its share of these funds to UVWMA to support cooperative recycling efforts. The agency uses the \$25,000 for eligible beverage container recycling and litter reduction activities.

In late May, CalRecycle released the funds to local agencies, and the up-valley communities forwarded their funds to UVWMA. We now have the full \$25,000 for recycling activities in 2012-13.
