BACKGROUND AND DISCUSSION

Extended Producer Responsibility (EPR) and other Legislative Activities

Last year the Governor signed AB 2398 (Perez)--EPR for carpet and AB-1343--EPR for paint. Both are in the process of being implemented. The EPR bill for batteries, SB 515 (Corbett) has failed. There may be bills

on fluorescent lamps, sharps, or pharmaceuticals.

Monthly Financial Reports

Current reports are attached. Of note, landfill surcharge revenue is on track to exceed budgeted revenues by about \$20,000, but HHW expenses are also exceeding the current budget by about \$10,000. As such the Agency as a whole is on track to conclude the year well within the allotted budget.
