BACKGROUND AND DISCUSSION

Update on the Construction & Demolition (C&D) Recycling Study
Although the formal report is not due to be presented to the Board until September, the Company's consultant,

Evan Edgar, will provide the Board with an update on progress and results to date and staff will seek any informal guidance the Board may be able to provide at this stage of the evaluation. Preliminary copies of the report, if available, will be provided to the Board at the meeting.

Company Web Site
Staff noted that the Upper Valley Disposal Service (UVDS) Web site was out of date. UVDS has completed a comprehensive update of the website.

Events
A Household Hazardous Waste Event will be conducted on October 13, 2007 at the Calistoga Fairgrounds.

Oil Filter Recycling
Staff and the company are working on rolling out a program to collect used oil filters via the standard curbside recycling program. A particular effort is being made to roll out this program at the 3 publicly run farm worker centers.
