Joint Meeting of the Board of Supervisors and the Planning Commission to consider adoption of a General Plan amendment known as the 2008 General Plan Update. The Board and the Commission will hear a presentation about the proposed 2008 General Plan Update, take several hours of public testimony, and continue their hearings to January 16, 2008 (for the Planning Commission) and February 26, 2008 (for the Board of Supervisors) to permit additional testimony. The 2008 General Plan Update is the product of several years work by the General Plan Update Steering Committee, staff and consultants, and incorporates substantial input from the Planning Commission, the Board of Supervisors, County residents and other stakeholders gathered between January 2005 and the present. If adopted, the 2008 General Plan Update would result in a General Plan containing the following sections: Introduction, Summary and Vision, Agricultural Preservation & Land Use Element, Circulation Element, Community Character Element, Conservation Element, Economic Development Element, Housing Element, Recreation & Open Space Element, Safety Element, Implementation Plan, and Glossary.
