Karl Ono, Associate Engineer, gave a presentation on the 66-Inch Trunk Sewer Rehabilitation project and bids received. He reviewed the background of the project, including the condition assessment, project scope, CEQA and permitting details. Ono reported the rehabilitation would include 1.3 miles of the 66-inch trunk sewer from Kaiser Road to the Soscol Water Recycling Facility.

Ono reported staff received three bids for the project, with the low bid for \$5,621,944 from SAK Construction Inc. The bids came in significantly lower than

the engineer's estimate for the project. Ono explained the reasons for the discrepancy in the bid prices and the engineer's estimate. He reviewed the project financials including the construction management and inspection, engineering services during construction, and post-construction environmental services. The total cost for the project is estimated at \$8,232,852. Ono reviewed the anticipated schedule, with construction slated to begin in April 2021 and project completion in December 2021.

Board and staff held discussion.

Cyndi Bolden, Senior Accountant, discussed the project financing history and introduced Brian Forbath, District Bond Counsel; and David Leifer and Bobby Cheung, Municipal Advisors with KNN Public Finance. Consultants participated in the meeting via Zoom.

Mr. Leifer gave an update on the progress since the November 28, 2020 Board meeting when the Board conceptually approved the 66-inch sewer main project. He reported the District's credit rating was upgraded to AA+ for the 2021A COPs. S&P also increased the rating on the District's outstanding public parity Bonds and COPs (2017 Refunding Revenue Bonds and the Revenue COPs, Series 2012A). Mr. Leifer discussed the reasons for the strengths in the final credit report.

Mr. Leifer reviewed the updated estimated funding sources and uses, as well as the total debt service payments over 20 years. He commented that tax-exempt interest rates are at historic lows with bond buyer 20-Bond Index currently at 2.14%.

Mr., Leifer reviewed the timeline for the financing, with the competitive pricing of 2021A COPs scheduled for February 16, 2021 and COP closing on February 25, 2021.

Board and staff held brief discussion.
