Dear Amanda

Thank you so much for your support of Napa Valley Museum's Oktoberfest and Car Show on October 1, 2016. The event was a great success and we could not have done it without your support. The event had over 50 cars and attracted around 400 attendees. The fundraiser helped to raise funds which will help to continue to run our important education, exhibitions and artifact collections programs.

Your sponsorship of \$250 ensured that the event was as successful as possible. Your donation is tax deductible to the fullest extent of the law. For your records our tax id is 23-7140629.

Thank you for your support and we look forward to working with you in the future.

Sincerely,

Jessica Penman
Development Manager
